

**KEY BAR**

**AUSTIN  
TEXAS**

# WHO WE ARE

## KEY BAR

Formerly a key shop, Key Bar is an indoor/outdoor bar established in 2006. It is primarily a covered outdoor deck which is open to the street for maximum visibility but it achieves climate control through fans, misters, radiant heaters. The large roll-up glass doors at the building allow the outdoor deck and continuous concrete bar to stretch all the way inside. Available for full and partial buyouts, Key Bar is a great venue for private, social & corporate events.
