# ABOUT US

OKO was born from the shared vision of FAM Hospitality and Trinity Concepts, blending Filipino and Southeast Asian culinary traditions with Austin's energy. Led by Chef Harold Villarosa and FAM co-founder Paul Qui, OKO redefines Austin's dining scene with a menu celebrating the Filipino diaspora and the rich, diverse flavors of Southeast Asia

Derived from the native Hawaiian word "OKO'A" that means "different," OKO will be just that: an amalgam of ideas united by a sweeping tapestry of Filipino history and culture. OKO blends the tastes of Manila and Ilo Ilo City in a vibrant setting on East 6th Street. Dive into an unforgettable fusion of Filipino cuisine and Austin's creative vibe.

The menu follows the Filipino culture's journey of food throughout Asia. Diners can expect a Kinilawin bar serving Filipino-style ceviche, Texas oysters with pinakurat (spicy Filipino coconut vinegar), Lumpiang Sariwa, a variety of Filipino street food on skewers like lamb belly and Chicken Inasal, and classic Filipino dishes like Adobo made with local Texas lamb.

Book an unforgettable private dining experience at OKO, IN DOWNTOWN EAST AUSTIN. Whether you need a room for a business meeting, a celebratory dinner, or a catered event, you'll experience luxurious service and high-quality FILIPINO food for all occasions.
